Department of Community Services

Program Participant Survey

We would like to learn about your experience with the Community Support Program. This survey asks about the services you use, how you receive information, and what could be improved. Please think about your own experience when choosing your answers. Your responses will help identify areas where services could better meet participants' needs.

How to complete this survey

Read the instruction beneath each question. Mark one circle for questions that ask for one answer. For questions that allow more than one answer, mark every square that applies. In each rating table, mark one circle in each row. If a question does not apply to you, you may leave it blank.
